

# HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

8 February 2018

Dear Parent/Guardian

## Hedingham School Facebook Page

As a school, we endeavour to ensure that we maximise potential communication channels with our local community. Following feedback from parental voice, we have recently set up a School Facebook page, accessible via: [www.facebook.com/hedinghamschool](http://www.facebook.com/hedinghamschool)

Alongside details of specific calendared school events, we hope to use this communication channel to celebrate the many positives and achievements regularly generated by our fantastic students. We also hope to be able to intermittently promote resources that might support your child's preparation for internal and external examinations and assessments.

We understand the importance of a close working partnership with our local community and the power of sharing information. With Facebook being used so widely within modern society, we hope that it increases parental opportunity to keep up to speed with the good things that we bear witness to on a daily basis with our students.

Yours sincerely
