

HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

12 March 2018

Dear Parent/Guardian

Trip to Iceland – Easter 2019

We would like to invite your child to apply for a place on a 4-day Science/Geography trip to Iceland. The purpose of the trip is to study the geology of this diverse and unique landscape. We will take the opportunity to visit and study features such as volcanoes, geysers, glaciers and the Mid-Atlantic Ridge, alongside a visit to a geothermal power station and the Eyjafjallajökull volcano (which erupted in 2010). The travel company, (Discover the World) are extremely reputable and specialise in visits such as these. The trip will leave on Friday 5 April 2019 and transport from the school to Heathrow airport (where Iceland Air departs from) is included in the cost of the trip.

The cost of the visit is estimated to be £1,060 per student which includes a specialist guide and coach travel to all activities. This also includes all food and drink and hotel or hostel accommodation. It will be necessary to provide some specialist items (such as walking boots or shoes and a sleeping bag) for the trip. The trip will be offered to students who will be in year 10 - year 13 in the next academic year. If the trip is over-subscribed, priority will be given to students who are taking the following courses in the 2018/19 academic year and a random selection will be made at the end of Friday 23 March 2019.

- GCSE Triple Science
- GCSE Geography
- AS/A2 Geography

If selected, a non-refundable deposit of £100 will need to be paid to the finance office by Friday 20 April 2019. If your child would like to apply for this exciting opportunity, please complete the reply slip attached and return it to the finance office by the end of Friday 23 March. Successful applicants will then be issued with a letter on Wednesday 28 March.

Yours sincerely

Dr J Finn
Leader of Science Learning Area

Miss S Davie
Leader of Geography Learning Area

Iceland – April (Easter) 2019

Trip Code: I0050023

Name: _____ Form _____ Current year group _____
