

HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

6 February 2018

Dear Parent/Guardian,

Physics in Action lectures in London

As part of our inspiring students programme, we have the opportunity to take all year 12 and 13 students studying physics to London to hear lectures from highly respected physicists at the Camden Centre in London on Wednesday 17 March 2018.

As your son/daughter is currently studying A level physics, we would like to invite them to participate in this fantastic experience of meeting and hearing from top lecturers in their field. The topics that will be covered range from Michael Brooks considering the weird world of quantum physics, to shining light on the Brain with Gemma Bale and will also include an excellent session on techniques to improve students' exam grades.

The non-refundable cost for the day will be £62 to be paid via ParentPay before the 19 February 2018. This will include the cost of travel and a ticket for the lecture series itself. Students who attend are also encouraged to bring a packed lunch to eat during the interval session at lunchtime.

We will travel by train which means that we will meet at 8.45 and leave from Braintree train station at 09:00 on the Thursday morning aiming to be back at Braintree train station at 18.28 the same evening.

If you are happy for your son/daughter to participate, then please return the reply slip giving your permission for your son/daughter to take part by 19 February.

If you have any questions then please contact me at school.

Yours sincerely

Mrs A Swannell
Physics Teacher

Please reply to the Finance Office by 19 February 2018

Trip: Physics in Action Lectures London Trip Code: 10040056

Name:

Would like to attend the **Physics In Action Lectures London** on
Wednesday 17 March 2018

I have paid £62.00 via Parentpay by 19 February 2018.
