

# HEDINGHAM SCHOOL AND SIXTH FORM

ACHIEVEMENT & EXCELLENCE

23 May 2017

Dear Parent/Guardian

## UCAS Higher Education Exhibition – Wednesday 14 June 2017

Hedingham Sixth form have strong links with Essex University and a Sixth Form trip has been designed to visit the university to enable students to obtain an insight into both college and university life. In addition, it will also help students to gain more information about applying for Higher Education in the future.

It is expected that students in Year 12 will attend this trip. It will help them to look at the options available to them when they complete their courses at Hedingham, in particular students will be able to gain prospectuses from a wide range of universities and help them to narrow down their choice of courses for an application to UCAS – the University of Central Admission Systems.

For those students unsure about an application to university it will enable them to gain some insight into the process and whether an application to university would suit them.

Students are advised to bring a packed lunch with them, although there are outlets on the campus where they can buy food.

We plan to leave school at 9.00 am and return at 1.45 pm. Students will be expected to attend lesson 5 as normal.

There is no cost to students for this trip but they **must complete the medical form** attached and return it to the Sixth Form office. Without this form completed students will not be able to attend.

Yours sincerely

Mr J Raynor  
Head of Sixth Form
