Dear Parent/Guardian

Performing Arts Show -Tuesday 12 December 2023

Hedingham School are holding a Performing Arts Show on the evening of Tuesday 12 December, starting at 6.00pm and finishing at approximately 7.30pm. The show will be an exhibit of a unique blend of Dance, Music and Musical Theatre performances. The show will consist of a number of pieces that have been learnt by Hedingham School students through the extra-curricular programme, as well as performances created independently by students.

This is an exciting opportunity for parents to visit the school and view some of the excellent work performed by our students, who have demonstrated considerable commitment to the Performing Arts at Hedingham and in preparation for the show.

Tickets are available via the booking link below, and contributions can be made via ParentPay. This performance event will be free, with the option of a voluntary contribution if you wish. Usually, money raised from ticket sales is put towards the production of future performances, however we recognise that the lead up to Christmas is an expensive time for families - we therefore do not wish to add any financial burden and would prefer family and friends to enjoy the performance free of charge.

Although tickets are free, they must still be booked in advance of the show so that we do not exceed our audience capacity. These will not be physical tickets-names will be ticked off on the door on the night.

To book tickets, please click on the following link, these must be booked by the deadline of **11.45pm Monday 11 December:**

Yours sincerely
