Dear Parent/Guardian

**GCSE Math Revision Guides – Year 10 and 11**

The Maths Department can provide the opportunity to purchase the Edexcel GCSE (9-1) revision guides, published by Collins, at a discounted price. We believe that these guides are particularly well suited to our students because the material is clearly presented and supports the work completed in the lessons. It also includes practice questions for students to complete. Students will either require a Foundation or Higher Tier guide, both are priced at £4.99 each. There is no need to specify which tier your child will need; we will ensure they are issued with the correct revision guide.

If you would like to purchase one of these guides at the discounted rate, the school's method of payment is via ParentPay. The closing date for all payments will be **Monday 9 October 2023**.

If you would like to order a revision guide but are experiencing financial difficulties, please do not hesitate to contact me for a confidential discussion at the school.

Yours sincerely

Mrs G Woodley  
Leader of Mathematics
