

HEDINGHAM SCHOOL
AND SIXTH FORM
ACHIEVEMENT & EXCELLENCE

Official

13 December 2024

Dear Parent/Guardian

NHS Careers Talk - Year 10, 11 and Year 12 Students

I have arranged for an Advanced Clinical Practitioner with the NHS to visit Hedingham School to talk about careers in the NHS. The Practitioner is the Respiratory Virtual Ward Clinical Lead and will talk about her current role, her career path and work experience opportunities within the NHS.

She will be visiting the school on Tuesday 14 January during Period 5. If your son/daughter is interested in a career in the NHS and would benefit from attending this talk, please encourage them to complete the online form that has been emailed to their school email account. This should be submitted by the end of term. Students will need to catch up on any work that they miss in their usual lesson.

If there is a large number of students interested, then we may need to limit the numbers attending, in which case students in Years 11 and 12 will take priority.

Yours sincerely

Mrs R Taylor
