Dear Parent/Guardian

Reminder: Parking Considerations Around the School

I hope this letter finds you well. I would like to take this opportunity to remind all parents and guardians to park respectfully and considerately when dropping off and collecting children from school.

In particular, we kindly ask that you do not park or wait in Christmas Fields, as this is a private residential area. Parking in this area causes inconvenience to residents and may obstruct access to their homes. To ensure a safe and smooth school environment for everyone, we ask for your co-operation in using designated parking areas or other appropriate locations.

Your support in this matter is greatly appreciated. By working together, we can maintain positive relationships with our local community and ensure the safety and accessibility of our school surroundings.

Thank you for your understanding and cooperation.

Yours sincerely

Mr J Pearson
