

HEDDINGHAM SCHOOL
AND SIXTH FORM
ACHIEVEMENT & EXCELLENCE

Official

5 December 2023

Dear Parent/Guardian

Students in Years 7, 8 and 9 will be completing a Science examination during one of their usual Science lessons between Wednesday 13 December and Monday 18 December. Separate arrangements will be made for students in Mrs. Goodwins' classes.

These examinations will comprise of short answer questions testing their knowledge and application of topics covered so far, this academic year. The students will be informed of the precise date of their examination by their Science teacher.

The topics that will be covered by the examinations are as follows:

Year 7

Topic 7E - Mixtures and Separation

Topic 7G - The Particle Model

Topic 7I - Energy

Year 8

Topic 8A - Food and Nutrition

Topic 8B - Plants and their Reproduction

Topic 8E - Combustion

Year 9

Topic 9A - Genetics and Evolution

Topic 9B - Plant Growth

Topic 9E - Making Materials

Knowledge Maps are attached; they have also been added to the homework set on Arbor. Students should use these as the starting point for their revision. Additional revision can be accessed through classes on Seneca (use the topic list above as a guide for this).

These examinations will allow the students to practice revision skills and examination technique. As well as being an assessment point to enable us to track student progress.

If you have any questions, please feel free to contact me.

Miss E Duncan
