Dear Parent/Guardian

Year 7 Careers Event – What is my Profession?

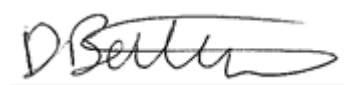

The world of work can be a daunting one, but being able to have an insight in advance will make students more confident in the competitive situation which they will be in when they one day seek employment.

We are holding a Year 7 careers event during the morning of Wednesday 6 December whereby we will have various professions visiting school to participate in a “What is My Profession” event. This will involve a question and answer session during the first half of the morning followed by the professions revealing their jobs during the second half.

We hope that our Year 7 students will enjoy this morning and that it will be beneficial to them to have an understanding of the world of work from an early age to raise their aspirations in school and dispelling stereotypical myths.

We are very much looking forward to the morning and appreciate the time that our professional people have given in supporting our students.

Yours sincerely

A handwritten signature in black ink, appearing to read 'D. Batch', enclosed in a thin black rectangular border.

Mr D Batch
Leader of Vocational and Careers
