

**HEDINGHAM SCHOOL  
AND SIXTH FORM**  
ACHIEVEMENT & EXCELLENCE

13 December 2023

Dear Parent/Guardian

With the first term of Year 11 behind us, I wanted to update you of our plan ahead between now and the Easter holidays. It has been a busy first term and I am sure that as proximity to Summer examinations draws closer, you are anxious to gain a clarity about what is ahead.

**Key Dates**

Monday 8 January	Year 11 assembly highlighting the road ahead this term.
Friday 12 January	All teaching staff enter new predictions used to compile reports. This information will be sent home with Mock Examination results.  Extended deadline for Hedingham Sixth Form applications.
w/b 22 January	Hedingham Sixth Form interviews
Wednesday 24 January	5.30 – 6.30 pm. Parents Information Evening (The road ahead and revision techniques)
Thursday 8 February	Targeted Parents Evening – we will encourage parent’s meetings with particular individual students where we have concern about their application or progress.

**In-School Support**

Extra curricular revision sessions will operate in most subjects. These are currently being finalised but will be available on our website as well as being directly emailed to students.

- Personal Development time each morning has been prioritised for revision purposes. Tutors are able to support and form rooms are equipped with revision material.
- We continue to run intervention in form groups in English, Maths and Science.
- Post Mocks, we have introduced two additional classes in Maths to create smaller groups. This will allow for a really targeted and focused delivery of lessons to support students learning in areas deemed requiring improvement in the Mocks. This may result in some class changes.

## **Parental Communication**

Parental Information Evening – 24 January 5.30pm – 6.30pm.

We are intending to run a parental information evening to outline next steps ahead this term. As highlighted in the evening held in September this is designed as a follow up to update parents.

In this evening we will:

- i. Re-iterate messages given to students in January assembly.
- ii. Give details of key events leading up to Easter.
- iii. Provide guidance for effective revision so that parents are equipped to offer support at home.

If you wish to attend this evening, please complete the electronic form using this link

Students do not need to attend, only parents and guardians.

Yours sincerely

Mr Paul Finch  
Deputy Headteacher
