**PRESS RELEASE**

**A Levels and BTEC Results 2024**

I would like to extend my congratulations to all Year 13 students in their achievements. Their success is a testament to their dedication and hard work throughout their journey through Hedingham School. It has been a pleasure to talk with students their future intentions as they move forward with their next steps.

I am proud that we, as a school, have been able to support students towards securing the qualifications and life skills that has helped them carve a path forward.

Results day is always a day of celebration and a great way to spend one last day with the students before my retirement. I wish them all every success for the future.

**Student's Comments:**

"I don't know what to say, I'm very happy with what I've achieved and I'm looking forward to what's to come. I've wanted to do Architecture at Norwich University of Arts from the start of Sixth Form and I'm so pleased to have achieved the grades to do this".

“It’s a wonderful feeling to have done so well in Art, and to have been recognised as having achieved 100% in this qualification. I’m really pleased with my other grades too. I’m taking a year out and I can’t wait to travel before heading to St Andrews to study International Relations”.
